Application to Conduct Batterers’ Intervention Program Training

This form is intended for those who wish to provide training to staff of Certified Batterers’ Intervention Programs (BIPs) in Tennessee and should be submitted before the training is held. If approved, you may include the statement “This training is approved by the Tennessee Domestic State Coordinating Council and may be counted towards the required training hours for Certified Batterers’ Intervention Programs” on your advertising materials.

While this form will be accepted after a training has been completed, please be aware that submission alone does not guarantee that a training will be approved and it should not be advertised as meeting the training requirements for certified BIPs.
