

## 2024 Legislative Priorities

- **SB1875/HB1878**--Increases from 48 hours to seven days the time in which a victim of a crime or a member of the victim's family has to report the crime to law enforcement to be eligible to receive a claim for compensation unless good cause is shown. - Amends TCA Title 29.
- **SB2060/HB2216**--Extends the statute of limitations for injuries to a person 18 years of age or older relating to sexual assault to three years or five years depending on if law enforcement was notified of the assault. - Amends TCA Title 28; Title 39 and Title 40.
- **SB2433/HB2595**--Increases from \$1,000 to \$1,500 the compensation claim amount that may be reimbursed to a healthcare provider for performing a forensic medical examination on a victim of a sexual assault case. - Amends TCA Title 29.
