

LEARN THE FACTS ABOUT FORENSIC EXAMS FOR SEXUAL ASSAULT VICTIMS

If you have been sexually assaulted or raped, it is recommended that you seek medical attention as soon as possible at a hospital or medical facility that provides forensic exams.

A sexual assault victim is entitled to a free forensic exam.

A victim should never receive a bill for their exam.

The hospital or medical facility is required to bill the Tennessee Criminal Injuries Fund for payment of the forensic exam.

A SEXUAL ASSAULT VICTIM MAY FILE A CLAIM FOR COMPENSATION

A sexual assault victim may also file a claim with the Tennessee Criminal Injuries Compensation Fund.

Victims who meet eligibility requirements may be reimbursed for medical bills, mental health counseling, lost wages, moving expenses, trial travel expense, and up to \$3,000 for pain and suffering.

If you need help filing your claim, contact the Tennessee Coalition to End Domestic and Sexual Violence Legal Clinic at 1-800-289-9018. Our services are free.
